HAPPY CANADA DAY!

O Canada! It's time to celebrate Canada Day. Originally called Dominion Day commemorating the unification of the three North American British Colonies into one confederation. On October 27th, 1982, Dominion Day was officially renamed Canada Day.

On July 1, 1980: "O Canada" became Canada's official national anthem. Originally written in French, the song was first performed 100 years earlier, on June 24, 1880, in Quebec City.

Famous people born on Canada Day:

Dan Akroyd, Lady Diana the Princess of Wales, Estee Lauder, Sydney Pollack, Olivia de Havilland and Carl Lewis.

Were you aware that...

The name Canada derives from an Iroquoian word for "village", Kanata, that French explorers heard and used to refer to the area near present-day Quebec City.

Smoking Reminder:

Please remember that residents, visitors and staff are not able to smoke in the courtyard or at the front entrance due to the Smoke Free Ontario Act, which prohibits smoking and vaping in residential care facilities such as Country Village LTC. You must be 9 meters from any entrance or exit.

We recently had the Smoking Bylaw Officer here on June 11th to speak with the residents and staff regarding laws surrounding smoking and vaping.

Country Village has designated smoking areas: the Gazebo to the left before entering the home is for residents who wish to smoke. This will also protect them from the elements. The Gazebo to the right side, before entering the home is the nonsmoking area for residents and families.

Thank you for your cooperation.

July Birthstone – Ruby

If you were born in July, your birthstone is a Ruby. The name is derived from the Latin word “ruber”, meaning “red” – the colour of love and passion. Medieval Europeans believed that rubies bestow health, wisdom, wealth, and success in love.
